## MOVING TO THE NEW WAREHOUSE IN SHANGHAI! 西诺迪斯上海仓库搬新家啦!

Following an overall upgrade program concerning all Sinodis' facilities, our Shanghai warehouse has been relocated to a new site nearby the Hongqiao airport.

A state-of-the-art tailor made complex, it covers 4,000 sqm on multi-floor racks, allocated between 4 temperatures including dry, 17°C, chilled and frozen, and it also includes a dedicated, sealed area for repacking purposes.

由于西诺迪斯的物流项目全面升级，上海的新仓库已经迁至虹桥机场附近。这是一个集综合功能于一身的仓库，它由多重支架构造，占地4000平方米，并配备4种不同温度的仓库：常温库，17°C，冷冻库，冷藏库。也可储藏密封的再包装产品。
