

## Yellow Valley™ New Arrival

## Yellow Valley 新品上市

### Company Introduction

Yellow Valley Cheeses are hand-made Dutch Gouda farmhouse cheeses produced in China. The first company in China to make Gouda cheeses in an artisanal and natural way. Expatriates and Chinese cheese lovers all over the country testify that Yellow Valley cheeses are superior to any imported Gouda cheese. Why? Yellow Valley cheeses are fresh, and most importantly: Yellow Valley cheeses do not contain any artificial ingredients. Our cheeses are 100% natural and using organic milk .

We use age-old Gouda recipes handed down from generation among generation of Dutch cheese makers produced within high standards of hygiene.

Apart from creating good quality cheeses, Yellow Valley was established to address social concerns. We ensure that local Chinese farmers get a fair price for their milk and other products, and we believe and practice the Fair Trade principles.

Yellow Valley 奶酪是在中国手工制作的荷兰高达奶酪。我们是中国第一家采用纯手工和纯天然方式生产高达奶酪的公司，旅居中国的外国人和中国本土的奶酪爱好者都证实Yellow Valley 奶酪比任何进口高达奶酪都要好。为什么呢？这是因为 Yellow Valley 奶酪非常新鲜，最重要是它不含有任何合成配料，我们的奶酪100%是纯天然奶酪并且是用有机奶作为原料。

我们采用的是荷兰代代相传的古老的高达奶酪配方，生产过程保持高标准的卫生条件。

我们不仅创造了质量上乘的Yellow Valley 奶酪，同时也十分关注社会效益。我们确保当地的牧民能以合理的价格出售他们的牛奶和其他产品。我们相信并坚持公平贸易的原则。
